Ivory

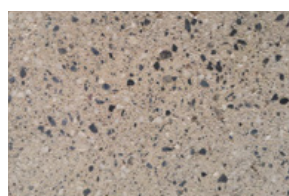

Stone Black

Stone Grey

Ash

Stone White

Please note: as of May 2022, the Urban Slimline paver will be manufactured with a "mini-bevelled" edge. The change will bring both technical and aesthetic improvements to our Urban range. Rest assured, the introduction of the mini-bevel will retain the Urban's signature, smooth and seamless look.

*Note: Other colours and finishes can be considered. Contact us for more information.
